MEDIA AFFECTED:	Soil
CONTACT PERSON:	Lynette Schrowe at (317) 232-8552
LAST REVISION:	December 2003
SITE PHOTO	
<p>STATUS: A transformer/capacitor stored on property developed a leak in late 1991. The property owner refused to clean it up. The Immediate Removals Section did not have the financial and human resources to deal with the problem at the time. The State Cleanup Section will handle the testing and remediation for the site.</p>
